Surface Inspection Summit

A comprehensive insight
into state-of-the-art surface
inspection systems for metals

www.sis-world.com

November 09 – 10, 2023 | Aachen, Germany

Exhibiting at **SIS.EUROPE 2023**

The Surface Inspection Summit is traditionally an event which combines high level presentations with an exhibition in which all relevant market players show their products. An exciting professional exchange and networking opportunity for surface inspection experts awaits you, 9–10 November in Aachen.

If you are a manufacturer of OIS or relevant components, review our attractive exhibitor packages below.

Use this opportunity to once again, present yourself and your products to a select group of specialists. If you are unable to find a suitable option below, we will be happy to tailor a sponsorship or presentation option to meet your needs.
